

## 2022 Knubble Bay Camp Users' Guide

Please make KBC your short-term home, and assure that others can do the same by following the guidelines below. Please check the state of Maine website [www.Maine.gov](http://www.Maine.gov) for COVID guidelines that might affect your stay.

Knubble Bay Camp has been maintained for 50 years by a volunteer committee (not paid staff) of the Appalachian Mountain Club, most of whom live several hours away. It is likely that no one will be available on the grounds for your stay. As a last resort, text Gail Fensom (603-305-0238).

**Arrival/Departure:** Enter KBC at 3 pm on your first day, and leave by 11 am on your last.
