

## Part 11 Assignment

1) Review the slides for Part 11

2) Using the chartlet from Part 9, determine the bearing in both true and magnetic from the public boat ramp in Stonington to Green Island. Both locations are indicated with a [blue arrow on this chart](#).

0.52 Nautical Miles

4) Using the chartlet from Part 9, determine the distance from Bare Island to Camp Island. Both locations are indicated with a [green arrow on this chart](#).

0.48 Nautical Miles

If you got 0.5 NM for both, that is close enough.
